

India Foldable

Background Statement:

The students have been studying India's geography, culture, and history.

Challenge:

Design and make a freestanding foldable in the shape of the Taj Mahal.

Criteria:

- The foldable must have a movable lever with your name attached to a sign at the end of the lever.
- The foldable must include four columns headed with the following titles:
 - India's Geography
 - History
 - Buddhism
 - Hinduism
- Each column must contain at least 3 facts in complete sentences, with correct punctuation and spelling.
- There must be a colored picture for three out of the four columns.

Materials:

- brads
- card stock
