

Celebrating Mothers Everywhere

Spring is finally here and Mother's Day is just around the corner. Think of the many varied things that your mother does for you. Make a list of many varied single words that describe how you feel about your mother when she takes good care of you.

Design Challenge:

Design and make a one of a kind Mother's Day card. The card should have a pop up and a lever operated moving part. It should include a greeting on the front and a poem or message inside telling your mother why she is special. The card must fit inside a 9 by 12 inch envelope.

Criteria:

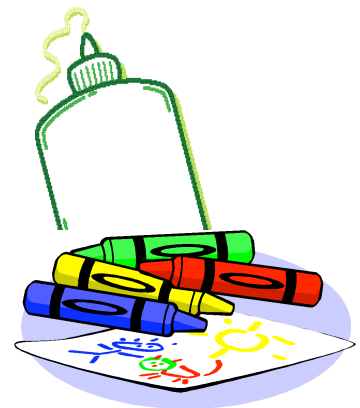

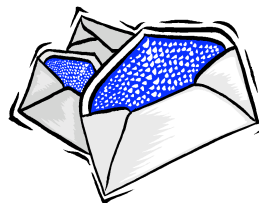

Your card must

- have at least one pop up part
- have one lever operated moving part
- have a greeting on the front
- have an appropriate poem or message inside
- fit inside a 9 x 12 inch envelope
- be attractive and colorful
- be edited for spelling and capital letters.

Materials: What can you use?

- construction paper
- paste/glue
- scissors
- brads
- crayons, markers, etc.
- card stock
- envelope

~ Not all supplies need to be used. ~
