

The Fabulous Spring Fling!

Your PTA is planning a festival to bring families together for an evening of fun and games. Families will be able to buy garden plants, participate in wall climbing, and play relay races. There will even be a cookout!

Design Challenge:

You have been asked to design and make an invitation for the festival. The invitation should have a pop up part and a lever operated moving part. The invitation needs to include the date, time, and location of the festival and be attractive and colorful. The invitation must fit inside a 9 by 12 inch envelope.

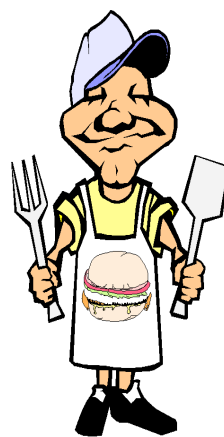

Limitations:

Your card must

- have at least one pop up part
- have one moving part (A lever must make the moving part work.)
- have the date, time, and place of the festival
- fit inside a 9 x 12 inch envelope
- be attractive and colorful

What can you use?

- construction paper
- paste/glue
- scissors
- brads
- crayons, markers, etc.
- envelope
