

Earth Friendly Birdhouse

SOL Connections

The Virginia Standards Of Learning that are supported with this activity are listed below by grade level. These are only suggested standards. The classroom teacher may be able to link this activity with alternative standards as well.

Kindergarten

SOL Target Standards: English:

- Oral K.2 The student will use listening and speaking vocabularies.
K.3 The student will build oral communication skills.

Supporting Standards:

Science:

- K.6 The student will investigate and understand basic needs and life processes of plants and animals.
K.10 The student will investigate and understand that materials can be reused, recycled, and conserved.

Math: K.12 The student will compare two objects or events, using direction comparisons or nonstandard units of measure.

Grade 1

SOL Target Standards: Science

- 1.5 The student will investigate and understand that animals, including people, have life needs and specific physical characteristics and can be classified according to certain characteristics.
1.7 The student will investigate and understand the relationship of seasonal change and weather to the activities of life processes of plants and animals.
1.8 The student will investigate and understand that natural resources are limited.

Supporting Standards:

English:

- Oral 1.1 The student will continue to demonstrate growth in the use of oral language
1.2 The student will continue to expand and use listening and speaking vocabularies.
1.3 The student will adapt or change oral language to fit the situation.

Math: 1.12 The student will use nonstandard units to measure length and weight.

Grade 2

SOL Target Standards: Science

- 2.4 The student will investigate and understand that plants and animals go through a series of orderly changes in their life cycles.
2.5 The student will investigate and understand that living things are part of a system.
2.7 The student will investigate and understand that weather and seasonal changes affects plants, animals, and their surroundings.

Supporting Standards:

English:

- Oral 2.2 The student will continue to expand listening and speaking vocabularies.
2.3 The student will use oral communication skills.

Math: 2.12 The student will estimate and then use a ruler to make linear measurement to the nearest centimeter and inch.
