

Valentine's Day Greetings for Seniors

Design Challenge:

The Student Council has asked that everyone make special cards to be taken to a senior citizens' center. Your challenge is to create a unique Valentine's Day card to be shared with someone who may not get any other cards!

Limitations:

Your card must:

- have at least one pop up part.
- have a happy Valentine's Day message.
- have a small piece of candy attached.
- be neat and attractive.
- fit into a 10 x12 inch envelope.

What can you use?

- construction paper
- card stock
- paste
- scissors
- markers - use only for writing
- small piece of Valentine candy
